

TECA

TECA

La Teca si presenta sobria ed elegante, volutamente minimalista ed essenziale.

L'ampia superficie vetrata mette in risalto l'originale esposizione orizzontale delle bottiglie, creando una suggestiva scenografia.

L'impianto di refrigerazione non altera gli equilibri estetici, si integra in modo discreto e, come per magia, assume la forma di un elegante portabottiglie.

La Teca è la punta di diamante della Home Collection diventata icona del brand Della Marta nel mondo.

Teca is sober and elegant, deliberately minimalistic and essential.

Its broad glass surface emphasizes the original horizontal bottle display, creating a suggestive scene.

The refrigeration system does not alter its aesthetic balance, it integrates discreetly and – with a touch of magic – turns into an elegant bottle holder.

Teca is the most valued asset of the Home Collection, an Della Marta brand global icon.
